**Information Technology Advisory Committee Terms of Reference**

1. To provide MUFA Executive with an analysis of University Information Technology with respect to its impact on teaching, research, academic freedom, freedom of expression, collegial governance, and other important University values.

2. To reflect on technology trends and how they might impact the academic mission of the University and other important University values.

Composition of the Committee: Committee Chair and up to 4 additional members recruited from the MUFA membership, including at least one member of the MUFA Executive Meeting.

Reporting: The Committee will meet at the discretion of the Chair or at the invitation of the MUFA Executive and will report to the MUFA Executive, as needed.

*Approved by the MUFA Executive  
September 19, 2024*
